# Independent Auditor's Report

To the Unitholders of Al Rajhi Multi Asset Conservative Fund

## Opinion

We have audited the financial statements of Al Rajhi Multi Asset Conservative Fund (the "Fund") managed by Al Rajhi Capital Company (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2021, and the statement of comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2021, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA) (collectively referred to as "IFRS as endorsed in the Kingdom of Saudi Arabia").

## Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA) that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the professional code of conduct and ethics that are endorsed in the Kingdom of Saudi Arabia that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Other Matter

The financial statements of the Fund for the year ended 31 December 2020, were audited by another auditor who expressed an unmodified opinion on those financial statements on 04 April 2021.

## Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, the Fund's Terms and Conditions and the Information Memorandum and for such internal control as the Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, the Fund Board, is responsible for overseeing the Fund's financial reporting process.

The accompanying notes 1 to 16 form an integral part of these financial statements.

**AL RAJHI MULTI ASSET CONSERVATIVE FUND**  
**(An open-ended mutual fund)**  
Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
(Amounts in SAR)

**1. LEGAL STATUS AND PRINCIPAL ACTIVITIES**

Al Rajhi Multi Asset Conservative Fund (the "Fund") is an open-ended investment fund created by an agreement between Al Rajhi Capital (the "Fund Manager"), a wholly owned subsidiary of the Al Rajhi Banking and Investment Corporation (the "Bank") and investors (the "Unitholders") in the Fund. The address of the Fund Manager is as follows:

Al Rajhi Capital, Head Office  
8467 King Fahad Road, Al Muruj District  
P.O. Box 2743  
Riyadh 11263  
Kingdom of Saudi Arabia

The Fund is designed for investors seeking to preserve and increase their capital in accordance with Islamic principles through investment in other investment funds. The Fund's net income is reinvested in the Fund, which affects the value and price per unit. The Fund was established on 24 Rabi Al Thani 1432H (corresponding to 29 March 2011).

The Fund Manager is responsible for the overall management of the Fund's activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund. However, as per the Terms and Conditions, the Fund is not liable to pay management fee for the Fund Manager.

The Fund has appointed Al Bilad Investment Company (the "Custodian") to act as its custodian.

**2. REGULATING AUTHORITY**

The Fund is governed by the Investment Fund Regulations (the "Regulations") published by Capital Market Authority ("CMA") on 3 Dhul Hijja 1427 H (corresponding to 24 December 2006) thereafter amended (the "Amended Regulations") on 16 Sha'ban 1437 H (corresponding to 23 May 2016). The Regulation was further amended (the "Amended Regulations") on 17 Rajab 1442 H (corresponding to 1 March 2021), detailing requirements for all funds within the Kingdom of Saudi Arabia. The Amended Regulations have effective dates starting from 19 Ramadan 1442 H (corresponding to 1 May 2021).

**3. BASIS OF PREPARATION**

**3.1 Statement of compliance**

These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB"), as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA") (collectively referred to as "IFRS as endorsed in the KSA").

**AL RAJHI MULTI ASSET CONSERVATIVE FUND**  
**(An open-ended mutual fund)**  
Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
(Amounts in SAR)

**3. BASIS OF PREPARATION (CONTINUED)**

**3.2 Basis of measurement**

The financial statements have been prepared on a historical cost basis (except for investments measured at FVTPL which are stated at their fair value) using the accrual basis of accounting.

The Fund Manager has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the Fund Manager is not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

The line items in the statement of financial position have been presented in the order of liquidity.

**3.3 Functional and presentation currency**

These financial statements are presented in Saudi Arabian Riyal ("SAR"), which is also the functional currency of the Fund. All financial information presented has been rounded to the nearest SAR.

**3.4 Use of estimates and judgments**

The preparation of these financial statements in accordance with IFRS requires the use of certain critical accounting judgements, estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires the Fund Manager to exercise its judgement in the process of applying the Fund's accounting policies. Such judgements, estimates and assumptions are continually evaluated and are based on historical experience and other factors, including obtaining professional advice and expectations of future events that are believed to be reasonable under the circumstances.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

**3.5 Impact of change in accounting policies**

**New IFRS Standards, interpretations and amendments adopted by the Fund**

The following new standards, amendments and revisions to existing standards, which were issued by the International Accounting Standards Board (IASB) have been effective from 1 January 2021 and accordingly adopted by the Fund, as applicable:

| <b><u>Standards / Amendments</u></b>     | <b><u>Description</u></b>                     |
|--|---|
| Amendments to IFRS 16                    | Leases for COVID -19 rent related concessions |
| Amendments to IFRS 7, IFRS 4 and IFRS 16 | IBOR Benchmark Reform – Phase 2               |

The adoption of the amended standards and interpretations applicable to the Fund did not have any impact on these financial statements.

**AL RAJHI MULTI ASSET CONSERVATIVE FUND**  
**(An open-ended mutual fund)**  
Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
(Amounts in SAR)

**3. BASIS OF PREPARATION (CONTINUED)**

**3.5 Impact of change in accounting policies (continued)**

***Accounting standards issued but not yet effective***

The accounting standards, amendments and revisions which have been published and are mandatory for compliance for the Fund's accounting year beginning on or after 1 January 2022 are listed below. The Fund has opted not to early adopt these pronouncements.

- IFRS 17 - Insurance contracts, applicable for the period beginning on or after January 1, 2023;
- Amendments to IAS 1, Presentation of financial statements, on classification of liabilities;
- Amendments to IAS 8, Accounting policies, changes in accounting estimates and errors, definition of accounting estimates;
- Amendments to IAS 1 Presentation of financial statements and IFRS practice statement 2 making materiality judgements, disclosure Initiative: Accounting policies;
- Amendment to IAS 12- deferred tax related to assets and liabilities arising from a single transaction; and

The Fund Manager anticipates that the application of these new standards and amendments in the future will not have significant impact on the amounts reported.

**4. SIGNIFICANT ACCOUNTING POLICIES**

The following are the significant accounting policies applied by the Fund in preparing its financial statements.

**A. Cash and cash equivalents**

Cash and cash equivalents comprise deposits with banks, cash held with broker in trading account and with custodian in investment account and highly liquid financial assets with maturities of three months or less from the date of acquisition that are subject to an insignificant risk of changes in their fair value and are used by the Fund in the management of short-term commitments.

**B. Financial assets and liabilities**

***Recognition and initial measurement***

Financial assets and liabilities at Fair value through Profit and loss ("FVTPL") are initially recognised at trade date, which is the date on which the Fund becomes party to the contractual provisions of the instruments. Other financial assets and liabilities are recognised on the date on which they are originated.

Financial assets at FVTPL are initially recognised at fair value, with transaction costs recognised in profit or loss. Financial assets not at FVTPL are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue.

**For the year ended 31 December 2021**  
(Amounts in SAR)

**4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**B. Financial assets and liabilities**

*Classification of financial assets*

On initial recognition, the Fund classifies financial assets as measured at amortised cost, fair value through other comprehensive income (“FVOCI”) or FVTPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Fund may irrevocably elect to present subsequent changes in FVOCI. This election is made on an investment-by-investment basis.

All other financial assets of the Fund are measured at FVTPL.

As at 31 December 2021, the Fund’s financial assets are cash and cash equivalent, investments measured at FVTPL and dividend receivable.

*Business model assessment*

The Fund makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed, and the information is provided to the Fund Manager.

Financial assets that are held for trading or managed and whose performance is evaluated on a fair value basis are measured at FVTPL because neither held to collect contractual cash flows nor held both to collect contractual cash flows and to sell financial assets.

*Assessment whether contractual cash flows are solely payments of principal and interest*

For the purposes of this assessment, ‘principal’ is defined as the fair value of the financial asset on initial recognition. ‘interest’ is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Fund considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

*Reclassification*

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Fund changes its business model for managing the financial assets.

Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
(Amounts in SAR)

**4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**B. Financial assets and liabilities (continued)**

*Classification of financial liabilities*

The Fund classifies its financial liabilities at amortised cost unless it has designated liabilities at FVTPL.

*Derecognition*

The Fund derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Fund neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

Transactions in which the Fund transfers assets recognized on its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets or portion of them, the transferred assets are not derecognized. Transfer of assets with retention of all or substantially all of the risk and rewards include sale and repurchase transactions.

Transactions in which the Fund neither retains nor transfers substantially all of the risks and rewards of ownership of a financial asset and it retains control over the asset, the Fund continues to recognise the asset to the extent of its continuing involvement, determined by the extent to which it is exposed to changes in the value of the transferred asset.

The Fund derecognises a financial liability when its contractual obligations are either discharged or cancelled, or expired.

*Offsetting*

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Fund currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

Income and expenses are presented on a net basis only when permitted under IFRS as endorsed in the Kingdom of Saudi Arabia, or for gains and losses arising from a group of similar transactions such as in the Fund's trading activity.

**For the year ended 31 December 2021**  
(Amounts in SAR)

**4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**B. Financial assets and liabilities (continued)**

*Fair value measurement*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Fund has access at that date. The fair value of a liability reflects its non-performance risk.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a mid price, because this price provides a reasonable approximation of the exit price.

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The Fund recognises transfers between levels of the fair value hierarchy as at the end of the reporting period during which the change has occurred.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. Fair value related disclosures for financial instruments that are measured at fair value or where fair values are disclosed are discussed in Note 10.

**C. Subscription and redemption on units**

Units subscribed and redeemed are recorded at net asset (equity) value per unit on the Valuation Day for which the subscription request and redemption applications are received.

*Redeemable units*

Redeemable units are as equity instruments as they meet certain criteria. Those criteria include:

- the redeemable units must entitle the holder to a pro-rata share of net assets;
- the redeemable units must be the most subordinated class and class features must be identical;
- there must be no contractual obligations to deliver cash or another financial asset other than the obligation on the issuer to repurchase; and
- the total expected cash flows from the redeemable units over its life must be based substantially on the profit or loss of the issuer.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

**D. Net assets value per unit**

The net asset value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units outstanding at year end.

**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
(Amounts in SAR)

**4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**E. Revenue recognition**

*Net gain or loss on financial assets and liabilities at FVTPL*

Net gains or losses on financial assets and liabilities at FVTPL are changes in the fair value of financial assets and liabilities held for trading or designated upon initial recognition as at FVTPL and exclude interest and dividend income.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the year and from reversal of the prior year's unrealised gains and losses for financial instruments, which were realised in the reporting period. Realised gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument's initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding payments or receipts on collateral margin accounts for such instruments).

*Dividend income*

Dividend income is recognised in the statement of comprehensive income on the date on which the right to receive the payment for dividend is established. For quoted securities, this is usually the ex-dividend date. For unquoted securities, this is usually the date on which the shareholders approve the payment of a dividend. Dividend income from securities designated as at FVTPL is recognised in the statement of comprehensive income in a separate line item.

**F. Fee and other expenses**

Fee and other expenses are measured and recognized as expenses on an accrual basis in the period in which they are incurred.

**G. Foreign currency**

Transactions in foreign currencies are translated into SAR at the exchange rate at the dates of the transactions.

Foreign exchange gains and losses arising from translation are included in profit or loss. Monetary assets and liabilities denominated in foreign currencies are retranslated into SAR at the exchange rate at the reporting date.

Foreign currency differences arising on retranslation are recognised in the statement of comprehensive income as net foreign exchange losses, except for those arising on financial instruments at FVTPL, which are recognised as a component of net gain from financial instruments at FVTPL.

**H. Zakat and Income tax**

Under the current system of zakat and taxation in the Kingdom of Saudi Arabia the Fund does not pay any zakat and income tax. Zakat and income tax are considered to be the obligation of the unitholders and are not provided in these financial statements.

The value added tax (VAT) applicable for fees and expenses are recognized in the statement of comprehensive income.

 (Amounts in SAR)

**9. TRANSACTIONS WITH RELATED PARTIES**

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. The related parties of the Fund include the Fund Manager, the Fund Board, other funds managed by the Fund Manager and employees of the same. In the ordinary course of its activities, the Fund has transactions with the Fund Manager.

The Fund does not charge any subscription fee on subscription of units and redemption fees on redemption of units. Other expenses paid by the Fund Manager on the behalf of the Fund are recharged to the fund as they are incurred as per constituting documents of the Fund.

In addition to transactions disclosed elsewhere in these financial statements, significant transactions with related parties for the years and related balances as at 31 December are as follows:

| <b>Related party</b> | <b>Nature of transaction</b> | <b>Transactions for the year ended 31 December</b> |             | <b>Balance as at 31 December</b> |             |
|----------------------|------------------------------|--|-------------|----------------------------------|-------------|
|                      |                              | <b>2021</b>  | <b>2020</b> | <b>2021</b>                      | <b>2020</b> |
| Fund Board           | Fund Board fee               | <b>2,840</b>                                       | 1,121       | <b>5,750</b>                     | 5,250       |

As at 31 December 2021 and 2020, the cash balance with Al Rajhi Bank, the parent entity of the Fund Manager is SAR 15,128 and SAR 18,534 respectively.

As at 31 December 2021 and 2020, investments in Units of other funds managed by the Fund Manager are SAR 93,850,828 and SAR 45,052,454 respectively.

**10. FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

***Valuation models***

The fair values of financial instruments that are traded in active markets are based on prices obtained directly from an exchange on which the instruments are traded or obtained from a broker that provides an unadjusted quoted price from an active market for identical instruments.

For financial instruments that trade infrequently and have little price transparency, fair value is less objective and requires varying degrees of judgment depending on liquidity, uncertainty of market factors, pricing assumptions and other risks affecting the specific instrument.

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments

**AL RAJHI MULTI ASSET CONSERVATIVE FUND**  
**(An open-ended mutual fund)**  
 Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
 (Amounts in SAR)

**10. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)**

*Valuation models (continued)*

Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques in which all significant inputs are directly or indirectly observable from market data.

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments but for which significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

The Fund values equity securities that are traded / reported on stock exchange at their last reported prices. To the extent that equity securities are actively traded and valuation adjustments are not applied, they are categorized in Level 1 of the fair value hierarchy. For reported NAV of open ended mutual funds they are categorized in Level 2 of the fair value hierarchy.

*Fair value hierarchy – Financial instruments measured at fair value*

The table below analyses financial instruments measured at fair value at the reporting date by the level in the fair value hierarchy into which the fair value measurement is categorized. The amounts are based on the values recognised in the statement of financial position. All below fair value measurements are recurring.

| 31 December 2021                    |                   |                  |                   |           |                   |

| Total                               | <u>44,840,259</u> | <u>2,199,922</u> | <u>42,640,337</u> | <u>--</u> | <u>44,840,259</u> |

During the year, there were no transfer between the fair value hierarchy.

Other financial instruments such as cash and cash equivalents, dividends receivable and accrued expenses are short-term financial assets and financial liabilities whose carrying amounts are approximate to their fair value, because of the short-term nature and high credit quality of counterparties. Cash and cash equivalents are classified under level 1, while the remaining financial assets and liabilities are classified under level 3.

**For the year ended 31 December 2021**  
 (Amounts in SAR)

**13. RISK MANAGEMENT POLICIES**

The Fund has exposure to the following risks from financial instruments:

- credit risk;
- liquidity risk;
- market risks; and
- operational risk.

This note presents information about the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

***Risk management framework***

The Fund maintains positions in non-derivative financial instruments in accordance with its investment management strategy. The Fund's investment portfolio comprises of mutual funds.

Monitoring and controlling risks is primarily set up to be performed based on limits established by the Fund Board. These limits reflect the business strategy, including the risk that the Fund is willing to accept and the market environment of the Fund. In addition, the Fund monitors and measures the overall risk in relation to the aggregate risk exposure across all risks type and activities.

The Fund's terms and conditions has investment guidelines that set out its overall business strategies, its tolerance for risk and its general risk management philosophy.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are further explained below.

***Credit risk***

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss.

The Fund is exposed to credit risk for its cash and cash equivalents and dividend receivable. The Fund Manager seeks to limit its credit risk by monitoring credit exposures and by dealing with only reputable counterparties.

The Fund's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the certain credit standards.

Credit risk is monitored on a regular basis by the Fund Manager to ensure it is in line with the investment guidelines of the Fund Board.

The table below shows the maximum exposure to credit risk for the components of the statement of financial position.

|                           | <b>31 December<br/><u>2021</u></b> | <b>31 December<br/><u>2020</u></b> |
|---------------------------|------------------------------------|------------------------------------|
| Cash and cash equivalents | <b>1,030,588</b>                   | 42,867                             |
| Dividend receivable       | <b>4,663</b>                       | 15,355                             |
|                           | <b><u>1,035,251</u></b>            | <b><u>58,222</u></b>               |

The Fund does not have a formal internal grading mechanism. Credit risk is managed and controlled by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties. Credit risk are generally managed on the basis or external credit ratings of the counterparties. Cash and cash equivalents are maintained with banks having sound credit ratings.

**AL RAJHI MULTI ASSET CONSERVATIVE FUND**  
**(An open-ended mutual fund)**  
 Managed by  
**AL RAJHI CAPITAL COMPANY**  
**Notes to the financial statements**  
**For the year ended 31 December 2021**  
 (Amounts in SAR)

**13. RISK MANAGEMENT POLICIES (CONTINUED)**

***Credit risk (continued)***

*Allowance for impairment*

The Fund has investments only in securities classified as FVTPL. Hence, no impairment allowance is recorded in these financial statements as per IFRS 9. The Fund's cash and cash equivalents are held mainly with counterparties having sound credit rating. Credit risk relating to this is not considered to be significant.

***Liquidity risk***

Liquidity risk is the risk that the Fund will encounter difficulty in releasing funds to meet commitments associated with financial liabilities.

The Fund's Terms and Conditions provide for the subscriptions and redemptions of units throughout the week and it is, therefore, exposed to the liquidity risk of meeting unitholders redemptions at any time. As at 31 December 2021 and 31 December 2020, the Fund's cash and cash equivalents and investments measured at FVTPL are considered to be short-term in nature and realisable. The Fund Manager monitors liquidity requirements on a regular basis and seek to ensure that funds are available to meet commitments as they arise.

***Market risk***

Market risk is the risk that changes in market prices – such as foreign currency risk, special commission rate risk and equity price risk – will affect the Fund's income or the fair value of its holdings in financial instruments.

The Fund's strategy for the management of market risk is driven by the Fund's investment objective as per Fund's Terms and Conditions. The Fund's market risk is managed on a timely basis by the investment manager in accordance with the policies and procedures in place. The Fund's market positions are monitored on a timely basis by the Fund Manager.

*Equity price risk*

Equity price risk is the risk that the value of financial instruments will fluctuate because of changes in market prices.

The Fund is susceptible to equity price risk arising from uncertainties about future prices.

*Sensitivity analysis*

The table below sets out the effect on net asset (equity) attributable to the unitholders of a reasonably possible weakening / strengthening in the individual market prices of 10% at reporting date. The estimate are made on an individual investment basis. The analysis assumes that all other variables, in particular commission, remain constant.

|  | <u>2021</u> |                    | <u>2020</u> |             |

(Amounts in SAR)

**13. RISK MANAGEMENT POLICIES (CONTINUED)**

***Operational risk***

Operational risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Fund's activities with financial instruments, either internally within the Fund or externally at the Fund's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behavior.

The Fund's objective is to manage operational risk so as to balance limiting of financial losses and damage to its reputation with achieving its investment objective of generating returns to the Unitholders.

The primary responsibility for the development and implementation of control over operational risks rests with the Risk Management team of the Fund Manager. This responsibility is supported by the development of overall standard for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures;
- requirements for:
  - appropriate segregation of duties between various functions, roles and responsibilities;
  - reconciliation and monitoring of transactions; and
  - periodic assessment of operational risks faced
- the adequacy of controls and procedures to address the risks identified;
- compliance with regulatory and other legal requirements;
- development of contingency plans;
- training and professional development;
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

**14. SUBSEQUENT EVENT**

No events have occurred since the reporting date that require adjustments to or disclosure in the Financial Statements.

**15. LAST VALUATION DAY**

The last valuation day of the year was 31 December 2021 (2020: 31 December 2020).

**16. APPROVAL OF THE FINANCIAL STATEMENTS**

These financial statements were approved by the Fund's Board of Directors on 24 Sha'ban 1443H (corresponding to 27 March 2022).
