

## **Marketing, Management and Brokerage for Investment Portfolios**

- **Agreement for Marketing, Management and Brokerage of local Portfolios and its annexures :**

This is an agreement that organizes the relationship between Al Rajhi Capital, and a company specialized in the management of the investment portfolios owned by their customers because the stock trading shall be performed by Al Rajhi Capital. The company will share with the portfolio managers the commissions gained from stock trading in the Saudi Capital Market.

- **The Sharia rules:**

1. The company shall comply with the Sharia rules issued in respect of investment and trading in the stocks.
2. The company must stop trading in the company's stocks in case the latter violates the controls pertaining to investment and trading in stocks.
